December 17, 2008

Dear Mr. Dean:

I would like to take this opportunity to send you heart felt thanks from the Arizona Department of Veterans' Services. The many years of support and the countless hours you dedicated to veteran's causes is immeasurable.

Every year, without fail, your annual showing at the Arizona State Veteran Home was looked forward to by the residents as well as the staff. Your presence always made Veterans Day special.

Your weekly radio spot with highlighting various veteran issues with our Assistant Deputy Director gave this department a great opportunity to send our message over the airways and reach out to our Arizona Veterans.

The impact you played on this department and on the veteran community is forever appreciated. Thanks for all you do!

Sincerely,

  
Joey Strickland  
Director
